KGBC LOGO

The KGBC logotype must be reproduced with a clear area around it which is free from other graphic elements. Our logo must be clearly visible and reproduced consistently. For this reason, a minimum size has been established. The size is 5 cm measured across the width of the logo. The logo should never appear on a different colored background other than white. The logo exists in one standard version "Bilingual Version" and should be used as the following without altering the proportions.
